EU-PLF project – Bright Farm by Precision Livestock Farming
We are pleased to invite you to join the Closing conference of the EU-PLF – Bright farm by Precision Livestock Farming, on Sept. 29th Brussels.

The Animal Task Force is co-organizing this event, together with EU-PLF project team and EAAF. We will present and discuss our position paper on Precision Livestock Farming, including gaps in research and recommendations for policy making, developed on the outcomes of our last years' events or "How to implement Precision Livestock Farming in practice"...
