2nd White Paper of ATF
2016 was an important year for the European Horizon2020 research agenda setting. The ATF has worked all year long on a Second White Paper (2016) of suggested priorities for research and innovation for the Horizon2020 2018-2020 Work Programme. Today, we are pleased to announce that the Second White Paper is now available. This update of the First White Paper (2013) and Addendum (2014) was prepared by the Animal Task Force Presidency and members. It was largely inspired by a dialogue with key
